

# Bible **BINGO**

Welcome to the Christian Credit Union Bible Bingo Challenge! We're excited to support your child's journey in learning and memorizing Bible verses.

Here's how it works:

## 1. Receive Your Bingo Card:

- Each student will receive a Bingo card specific to their school year (colour-coded). Please write the school's name, student name, and grade on the card. Once the Bingo card has been completed, the school volunteer, parent or guardian will sign off in the space provided. **One card per child per school year.**

## 2. Memorize the Verses:

- The Bible verses are listed on the back of the Bingo card. Your child's goal is to memorize each verse over the duration of the school year from September to May.

## 3. Mark the Verses:

- As your child memorizes each verse, place a sticker on the corresponding number (verse) on their Bingo card. Make sure your child can recite the verse from memory before placing the sticker.

## 4. Complete the Card:

- Once your child has filled the entire card, they have completed their Bingo card. This challenge runs from the beginning of school until May 30.

## 5. Get Verification:

- When the card is complete, have a parent, guardian, or school volunteer sign off on

the card to confirm that your child has successfully memorized the verses. Once verified, return the completed Bingo card to your school's Youth Banking volunteer or bring it to your closest branch to the Member Service Representative.

## 6. Celebrate and Enjoy!

- We will celebrate your child's hard work and dedication with a special cash bonus that will be paid out at the end of the month of the card completion. The participating school with the highest percentage of completed cards will receive a reward in early June!

### Important Notes:

- **Free Space:** The center space on the card is a "FREE SPACE" and does not require memorization.
- **Rewards:** Rewards will be credited to the student's CCU bank account once the completed Bingo card is verified and returned to the school volunteer or Christian Credit Union.
- **One card per child per school year**
- No bonuses will be matched to the schools
- **Support:** If you have questions, please reach out to [memberservice@christiancu.ca](mailto:memberservice@christiancu.ca)

We hope this challenge inspires a love for God's Word and provides a fun way to grow in faith. All the best, and happy memorizing!
